RESPONDING TO YOUR NEEDS AND CONCERNS

All individuals interacting with Presbyterian Medical Services (PMS) are treated with dignity, care, and respect. PMS recognizes and observes the rights of clients/patients, families/guardians, and residents or visitors to provide compliments or grievances about conditions, treatments, or actions with which they are satisfied or dissatisfied. PMS also recognizes that compliments and grievances serve as a source of information for validating and improving processes. We are focused on continually improving patient safety and quality of care.

If you would like to share a compliment, grievance, quality or safety concern related to your care, services or safety, please follow these steps:

Additional Option:
As a Joint Commission accredited organization, PMS has demonstrated that it meets the nation’s highest standards for healthcare. If you have a concern about your care you may contact the Joint Commission at 800-994-6610. They can only evaluate complaint information as it relates to their accreditation standards: they do not resolve individual complaints or disputed matters.
