

Presbyterian Medical Services Home Visiting Program

WHO ARE HOME VISITORS?

- PMS Home Visitors are qualified parent educators certified through the nationally recognized, evidence-based *Parents as Teachers* model.

WHAT IS HOME VISITING?

- Voluntary FREE program intended to promote healthy parent/child relationships.
- Supports pregnant women and improves pregnancy outcomes.
- Provides developmental activities to strengthen parent-child bonding and build positive parenting practices.
- Promotes school readiness using assessment tools to monitor child development and identify developmental concerns.
- Provides strengths-based support to caregivers to promote family stability.
- Identifies and assists families with accessing community resources and stabilizing family support systems.
- Grant funded program under NM Early Childhood Education & Care Department.
- Home Visiting is a covered Medicaid service through Turquoise Care and is available at no cost to the member.

WHO CAN RECEIVE HOME VISITING SERVICES?

- Anyone who is pregnant or has a child not yet in kindergarten
- Anyone who is a resident of Lea, Eddy, Chaves, Cibola, Quay or San Juan Counties

apply

What can I expect from my home visitor?

- 90 minutes of direct service visits
- Developmental assessments
- Developmental activities
- Education and handouts on parenting topics to increase parent knowledge of positive parenting practices, health and well-being, nutrition, and safety
- Community resources and referral support as needed
- Various opportunities for group connection

What is our Safe Sleep Program?

- Home Visitors bring SIDS awareness & education to prenatal women to reduce sudden infant death syndrome
- Prenatal moms who participate in the safe sleep class will receive a FREE "Dream on Me Bassinet" (Enrollment is not necessary to receive the bassinet)

“I’m grateful that this program is available because I’ve learned so much and this is my 4th baby!”

- Davianna G.
